Jan District Dance & Meeting Cancelled

Please consider helping these hosts, especially the 2nd dance night of the month because they will have to put up all the bridge tables before the dance, as well as put them all back. (Actually, everyone, even guests, always help put things back at the end of every dance. That's the wonderful thing about square dancers.)

If you can't host on these dates, please contact Loye Hardee 522-4344

News from Circle 8

Our Annual Thanksgiving Dinner Dance was a great success, lots of delicious Thanksgiving food, lots of fun dancing. We always appreciate our guests. It was good to see Jean Eoff and Bob, even though she can't dance yet.

December 18 will be our Christmas Sweets Dance, bring something sweet to eat and share. (Bring your "sweetie" too!)

We will not dance on New Year's Day, by consensus of those present at the Nov 6th dance. Too many other things happening that day! We'll be back to dance in 2012 with renewed enthusiasm Sunday, Jan 15. (Isn't that one of your resolutions?)

According to our District chairman, Art Harvey, the January District Dance has been cancelled. Another case of too many things happening and too many of us being gone.

News from Other Clubs

December 9, See Saws in El Paso will have their Christmas Dance. Bring

stuffed toy, please.
