Please consider helping these hosts, especially the 2nd dance night of the month because they will have to put up all the bridge tables before the dance, as well as put them all back. (Actually, everyone always helps put things back at the end of every dance. That's the wonderful thing about square dancers.)

Club News:

Lots of good salads and desserts at the Salad Supper to fuel our dancing. Thanks to everyone who brought food.

Please keep Ted in your prayers.

Are you ready for Jerry Junck? The Jerry Junck Dance will be held at Munson Center, Sunday, Oct 30 at our usual Sunday dance time 6:00 PM. It's always a great dance. Great calling, great music! Don't miss it!! (Club members please bring finger foods.) Note that we're moving back to Munson Center for this dance. Flyers now available.

I spoke to Jean Eoff and she is doing well after her surgery, may not be able to dance for a while but may come to visit soon. It'll be good to see her.

A brief editorial comment: I always mention it, but it's worth saying again! Square Dancers are the very best people. We really appreciate all our guests supporting our dances, we thank all of you who bring food too even if it's not expected of you when you visit, and we especially thank all of you who help set up the bridge tables after the dances when you are at the dances as guests. Thank you!
